

Road to Canvas: Saint Leo University Implementation Roadmap

Spring 2026: Technical Setup

Initial configuration begins, focusing on SIS integration, authentication setup, university branding, and account provisioning.

Spring & Summer 2026: Course Migration

The active process of migrating existing course content and structures from D2L into the Canvas environment begins.

Summer 2026: Faculty & Staff Training Launch

Professional development officially starts, offering workshops and support resources to prepare instructors for the new platform.

Fall 2026: Canvas Pilot Semester

A designated pilot group launches courses in Canvas as a controlled first step in Saint Leo's planned go-live pathway.

Spring 2027: Full Rollout & D2L Retirement

All courses are now taught exclusively in Canvas, and D2L is fully retired for instruction as the university moves to a unified LMS.
