

Last-Minute Desk Copy Solution

If you are assigned a new course just before the start of the term, or you need to review a textbook quickly, we have a solution that might work for you. VitalSource gives faculty the opportunity to build a digital bookshelf, request desk copies, and view instructor resources from multiple publishers on one platform. To access an existing account or create an instructor account you will follow the instructions listed here.

Go to: <https://sampling.vitalsource.com/educators>

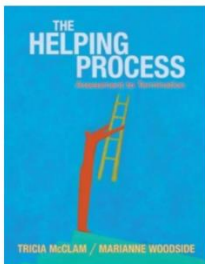

Many of you have an existing account that you can sign in to. If you need to create an account, you can also do so through the login page:

There is a simple process to follow and registration takes only a few minutes. You can begin building your bookshelf right away and requesting your desk copies. You can search for specific titles with the book title and author or ISBN number:

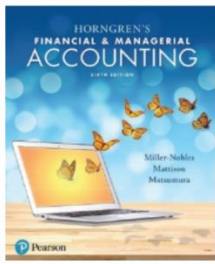

My Dashboard

If you receive a message that says "pending Publisher approval" this process takes about 24-48 hours. If you need to expedite this, email faculty.textbooks@saintleo.edu and member of the Learning Resource Team will contact our assigned rep for that title to approve your request right away.

One you are set up in the system there is a direct link to the bookshelf sign in page for quick access:

<https://bookshelf.vitalsource.com/#/user/signin>

This will take you to all the books that you have available on your shelf:

Please reach out to the Learning Resource Team with any additional questions:
